Submitted with the opinion of the Sanitary Commissioner Of the alterations proposed by the Sanitary Commissioner, the following seem to require consideration

Bye-law No 11 -- The Sanitary Commissioner proposes that projections should be liable to be confiscated and sold and the proceeds credited to the municipal fund The addition proposed is not warranted by law and may not be approved

Bye-law No 31 newly proposed The Sanitary Commissioner proposed the addition of a new bye-law after -- bye-law 30 This provides for carts, beasts of burden etc being parked in the premises of the market Carts and animals which are taken to santes in many places have to stop in the sante sites till the things taken for sale are sold The bye-law does not provide for setting apart of separate places for parking the ext carts etc The proposed bye-law is likely to work as a hardship and it may not be easy to enforce it
